* Currently available via email attachment only

Yes! I want the *EASY Diagnostic System!*

Note: I have revised the EASY for DSM-5 and am seeking permission from the APA to use it. I hope to have permission by early-February. Hold orders until then. Thanks. DB

Item	Cost	# Ordered	Total
1. EASY Diagnostic System. Includes lifetime licensure for one therapist. Licensure permits you to photocopy and use the EASY diagnostic system with your patients without having to pay ongoing royalty fees. A license cannot be sold or transferred. Electronic, internet, publication or other distribution rights not included.	\$149		
2. Licenses for additional therapists. Additional individuals may be licensed for \$75 per person, assuming you are all practicing at the same location. Multiply the number of therapists in your practice / facility / institution times \$75. Does not include <i>Therapist's Toolkit</i> .	\$75		

Your name & degree:	Phone:	
Street:	Suite:	
City:	State:	Zip:
Email address		

If you are ordering multiple licenses, include the name, address & phone # of every therapist who will be licensed to use the *EASY*.

Send your order with a check to David Burns, M.D., PO Box 2044, Los Altos, CA 94023. **Canadians please send money order payable in US \$.** No purchase orders or credit card orders. The *EASY Diagnostic System* is currently available as an email attachment that you can download to your hard drive for easy review, printing, and photocopying.
